

Let's Make A Peek-A-Boo Lamb

Use With Lesson 3: The Little Lost Lamb

DIRECTIONS

Cut the lambs from pink paper. Cut rectangles from green paper (5" x 7.5") and scallop one end. When folded up this will represent a bush.

Glue a lamb onto the green paper so that it will be partially hidden when the paper is folded.

Pull cotton balls until they are thin and flat. Glue the cotton to the lamb. Glue a small ribbon bow to his neck.

When the green paper is closed, the lamb is lost. Maybe caught behind a bush? To find the lamb, open the paper and there he is. Peek-a-boo!
