

# The Sad/Glad Lamb

Luke 15:4-6

Little Lamb was sad. Little Lamb was lost. Little Lamb had forgotten to stay close to Mother.

Every night the good shepherd counted his sheep. *(Count 5 fingers)*. “1-2-3-4-5.” But tonight, one was missing. He counted again. *(Point to and count 4 lambs)*. “1-2-3-4.” Oh, oh! One lamb is lost. Can you find him? *(Behind the bush)*.

Out on the mountain, the little lamb was cold. He was hungry. He was tired. And he was very, very scared! He wanted his mother. “Ba-a-a. Why didn’t I listen to the good shepherd and stay with the other sheep? What will happen to me now?”

All this time, the good shepherd was looking for his little lost lamb. *(Use finger motions)* He looked high. He looked low. He looked here. He looked there. He looked everywhere until he found his little lost lamb!

As the good shepherd carried the little lamb home, he called, “Look everybody. I have found my lamb which was lost.” And everyone was so happy!
